

Landscape Industry Certified Technician – Exterior

July 28, 2017

Clackamas Community College - Oregon City Campus

Judge Volunteer Form

OLCA is fortunate to have had many landscape industry professionals who volunteer to judge the certification test in the past but more are needed.

Properly staffing the OLCA test with Judges is always a challenge so OLCA is very appreciative of the time and expertise volunteer judges give to the field & written test. This year we expect a record number of new test candidates & retake candidates. **We need a lot of judges!** You can help. Don't worry if this is your first time as we will train you quickly.

JUDGES RECEIVE UP TO FOUR (4) CEH'S

(One CEH per three hours of volunteering. You must submit volunteer hours to initiate certificate.)

Please complete and return by June 1, 2017
