Dues are for a one-year period beginning from the date of formal acceptance by OLCA.

*1st years dues reduction is available to new members or those applicants who have not been a member of OLCA for the last two years.

OLCA dues are not deductible as a charitable contribution for income tax purposes, but may be partially deductible as a business expense (consult with your tax advisor). OLCA estimates that 34% of your dues are not deductible because of OLCA's lobby activities on behalf of its members.
