

If you supply, design, maintain or manage landscapes in the Intermountain West, you will want to be in Redmond, OR on February 8 & 9, 2012 to attend the 20th Annual High Desert Green Industry Conference!

Consider these reasons why you don't want to miss this event:

- Reward yourself for being frugal. Thanks to our generous sponsors, registration fees have been maintained at the same low rate for years!
- Connect with green industry suppliers from throughout the Northwest during the one-day trade show.
- Attend a comprehensive schedule of educational classes covering topics relevant to your career and your business.
- Attend a Master Class or two for a deeper learning on a specific topic. Classes run 2 hours.
- You won't want to miss our keynote speaker Kathie Dello, Deputy Director of the Oregon Climate Service at Oregon State University. She coordinated and co-edited Oregon's first climate assessment report to the State Legislature in 2010 and has been featured in print, radio and news media. Kathie will discuss Oregon's climate from the past to the future and how it affects you.
- Earn professional recertification and continuing education credits, if you are an Oregon-licensed pesticide applicator, landscape professional, or a certified arborist.

REGISTRATION IS NOW OPEN!

Go to our website to register on-line:
